The applicant may not be certified for three years following any public discipline, final criminal conviction, final malpractice judgement, or admission of malpractice as defined in Section 5.3.4, unless the applicant establishes to the Standards Committee that such factors are not relevant to the applicant's fitness to be certified."

III. ITEMIZATION OF SUBSTANTIAL INVOLVEMENT IN ELDER LAW

By completing this section of the Long Form Application, I certify that I have practiced elder law an average of at least 16 hours per week **in each of the three years immediately preceding the date of my short-form application**, and that **during that same time period** I have provided legal services in at least sixty (60) elder law matters as defined in Section 5.1.4.2 (A) of the Rules and Regulations. [Note: One file for an individual client can include multiple "legal services" or "matters" as defined in Section 5.1.4.2 (A), but each "matter" must be listed separately.] Following is an itemization of sixty elder law matters in which I have provided legal services in the last three years, and which I am using to satisfy these requirements. Of these 60 elder law matters, 40 are in areas 5.1.4.2 (A) (1) through (5), with at least five matters in each of these areas. The next ten matters are in areas (6) through (12), with no more than five matters in each of these areas, and the remaining ten matters are in any area of my choosing, as required under Rules and Regulations Section 5.1.4.

To maintain client confidentiality, do not identify individual clients. Keep for yourself a separate "reference list" of client matters that you have included. This is necessary in the event NELF contacts you for further information. Do not include this "reference list" with your Application.

INSTRUCTIONS:

The following page provides the required format for itemizing the elder law matters that you are using to fulfill the certification task requirements.

In addition, you are required to use and complete the page entitled "Itemization Master Grid" to demonstrate and assure that you have listed at least 40 matters in the first five columns, ten matters in the last seven columns plus an additional 10 matters in any category. A check mark for each "itemized matter" in the appropriate column will identify that "matter" in one of the areas specified under Section 5.1.4.2. (A) (1) through (12).
